

Valcanonica Association

The name "Valcanonica" was born from the first initiative of the association, aimed at the recovery for touristical use of "canonics", the houses of the parishioners, who remained empty for the progressive depopulation of the valleys.

The association promotes initiatives for the territory of the Ligurian Levante, where it has its headquarters, with the aim of enhancing local traditions and growth opportunities of the resident population.

Contacts

Valcanonica Association

"Valcanonica" is an association aimed at promoting the territory of the Ligurian Levante.

Contact the association for more information on the inland valleys of the Ligurian Levante ... Possibility of stay, guided tours, food and wine routes, local products ... and much more.

Cassagna, Nascio and ...I Casali

The irresistible charm of the ancient villages in the Ligurian Levante

In the hinterland of Ligurian Levante you can buy:

- your residence to live in green in a relaxing environment;
- your holiday home near tourist, cultural, natural and gastronomic destinations, with the sea in the background;
- your property to turn into turn-key income, when you do not use it, through the tourism management of the Valcanonica Association.

Inside or near the main ancient villages of Ligurian Levante you find at least one restaurant and other tourist receptive facilities already started.

At no more than 20 min. car city hall, pharmacy, bank, post office, shops, restaurant, bar, wine cellar.

About 40 min. drive to the ancient towns of Chiavari and Lavagna, with marina and bathing.

Other nearby tourist destinations:

- Restaurants with local dishes (15min / 20min)
- Gambatesa Mine, second Ligurian attraction after the Genoa Aquarium (15 min from Nascio and Cassagna, 1 h from Casali)
- Aquarium of Genoa (1 h, 15 min)
- Sestri Levante (45 min)
- S. Margherita Ligure (1 h)
- Portofino (1 h, 5 min)
- Levanto / 5 terre (1 h, 5 min).
